## ORDER

A 8K was held. The court discussed with counsel the pending motion to set aside the default and claim bar against claimant Salazar. In light of the fact that there is a substantial amount of money in excess of Doral mortgage's claim, the court strongly recommended that some settlement alternatives be considered.

Before deciding the motion, and in light of the fact that there is a substantial amount of money in excess of Doral mortgage's claim, the court strongly recommended that some settlement alternatives be considered.

The court suggests that the issue be considered as partially due to claimant, the remnant being forfeited or required by law.

Order granted 15 days to explore this alternative and to report.
